

Is your business too dependent on YOU? How does your business run when you're not there?

Will your team's ability to lead keep up with your growth?

ABOUT - SCOTT PATCHIN

- ▶ Expert in growth/development of leaders, leadership teams, and businesses
- ▶ Expert in healthy growth - where both the culture and performance of the business thrive
- ▶ Skilled at addressing performance and growth of talent/teams at all levels of your organization

CUSTOMER QUOTES

"As a facilitator, Scott's leadership of our planning session was off the charts effective. A unique benefit of working with Scott is that he teaches while he facilitates, and I actually learned to be a more effective leader/facilitator by watching him work."

Pat LeBlanc

CEO – Michigan Small Business Person of the Year 2015, EBW Electronics – Inc. 5000 List (3x), Michigan 50 to Watch Company

"We have worked with Scott to develop our leadership team, with the goal of achieving healthy growth – from both a financial and cultural perspective. Scott is skilled at integrating coaching/learning into the process of planning, and that provided an additional return on the time we invested in working with him.
I highly recommend Scott as a partner in your growth."

Mark Bouwman

COO – DSA International

"Scott has been a key partner to Worksighted for 4 years now and has helped our team with coaching and leadership development. His knowledge of EOS and his passion for working with growing, entrepreneurial companies has been a perfect fit for us."

Mat Nguyen & Mike Harris

Cofounders – Worksighted Inc. 5000 List (3x), Michigan 50 to Watch Company

"His work with second-stage growth companies was particularly helpful for us as we continue to manage the explosive growth in our startup business and look to put processes in place to help us profitably scale our business going forward."

Garrick Pohl

CEO – Zipments
