Core Belief #1

trUPerformance™

Core Belief #2

Talent Management initiatives become necessary when we stop doing some of the habits that enable performance at all levels of our organization. *Preserve* the key habits and you avoid most initiatives.

Core Belief #3

Talent Management is
about great conversations!!!

Talent Scorecard

IS

IS NOT

1. One strength of your current performance evaluation system?
2. What would your business leaders say is their biggest frustration with system/process?

Key Habits - Your Results

	100%	<100%
